RE: Arizona Water Company Request for Additional Time to Comply with Filing
Requirements of Decision No. 67439.
Docket No. W-01445A-04-0453

On December 3, 2004, in Decision No. 67439, the Arizona Corporation Commission approved an extension of the Certificate of Convenience and Necessity of Arizona Water Company for its Coolidge system. Due to unexpected delays on the part of the developer, Arizona Water Company is requesting an additional 365 days, until December 3, 2006, to file a copy of the developer's Certificate of Assured Water Supply, the main extension agreement, and the ADEQ Certificate of Approval to Construct.

Staff has no objections to the requested 365-day extension of time to comply with Decision No. 67439.
